Real Estate Consulting Available

Maximizing Efficiency and Minimizing Stress

Odom Investments offers comprehensive real estate consulting services designed to streamline your property acquisition process, whether you are seeking a new investment property or a personal residence.

**** \$600** upfront fee for first property. For each additional property beyond the initial one, a fee of **\$450** applies. This tiered pricing structure allows you to leverage our expertise regardless of portfolio size.

This fee includes:

- * **Property Sourcing:** We connect you with a network of qualified real estate professionals, including wholesalers and licensed realtors, to identify optimal investment opportunities that align with your criteria.
- * **Due Diligence:** Our team will assist in conducting thorough property inspections and provide detailed assessments. This includes preparing an estimated budget and scope of work for potential renovations.
- * **Project Management Assistance:** We assist in securing competitive estimates from contractors and coordinating project scheduling to ensure timely and efficient completion.
- * **Transaction Support:** We will provide representation during the closing process and ensure seamless transfer of ownership documentation, including property records and any relevant rental files.

Our commitment is to provide unparalleled support throughout the entire acquisition process, from initial property identification to successful closing. This allows you to maintain control while benefiting from our extensive market knowledge and experience.
